# InfinityEdge

PERFORMANCE 3

MOZART

FINEST IN CUTTING

MADE IN GERMANY

# LONGER. SHARPER. FINER.

THE NEW HIGH-PERFORMANCE COATING FOR MOZART BLADES.

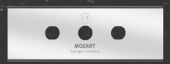

+ **LONGER BLADE LIFE**
  High wear resistance for more than twice the blade life.*
+ **MAXIMUM INITIAL SHARPNESS**
  Extremely thin coating for precise, clean cutting results.
+ **LESS DUST**
  Low coefficient of friction for significantly less dust generation during the cutting process.

**INFINITYEDGE AVAILABLE FOR:**

| Industrial Blades | Cello Blades | 3-Hole Blades |
|---|---|---|
|  |  |  |

*Compared to a TiN-coated blade from our production when cutting PP film.
Actual blade life may vary depending on the application and material being cut.
